JUST A REMINDER for Garbage/Recycling in the Town of Fulton

The State of Wisconsin requires all residents to recycle. A Special Charge for Refuse/Recycle pick up is placed on every tax bill with improvements designed for human occupancy.

**ALL RESIDENTS
MUST RECYCLE.**

Some items require contacting the hauler to set up a pick-up schedule as well as an extra fee, so please keep the new insert as a handy reference guide.

If you need a cart, or have additional questions, please contact the **Veolia Environmental Services @ 1-800-248-2373**

Veolia Environmental Services provides a 95 gal. recycle and a 95 gal. garbage cart to each residence. Garbage is picked up on a weekly basis, and recycling is picked up every other week.

In addition to the weekly cart service, Veolia will offer the residents (1) additional item per week in excess of the limitations of the trash cart, not to exceed one cubic yard of waste. You can view the 2012 Recycle Pick-up Calendar at www.townoffulton.com

In order for Veolia to effectively empty these carts, each one must be placed on opposite sides of the driveway with the wheels of the cart placed towards the house so the lids open towards the truck. There must be a 3' clearance on each side of the cart so there won't be any interference with the arm that picks the cart up.

The Town of Fulton's Building Inspector is Kelly Green of General Engineering Company-Building Inspections Division. He can be reached at 608-697-7771

REMINDERS :

Motor Vehicle Registration

When you register your vehicles with the Dept of Motor Vehicles, make sure you indicate they are kept in the Town of Fulton, not the city of your mailing address. It affects town revenues and taxes

Driveways - Ordinance #376-42:

No concrete surfacing shall be placed in the highway right-of-way. It may be either blacktop or gravel. Simply put, your driveway cannot be cement all the way out to the road.

Right-of-Way Clearing

For the past few years the Town has contracted with a tree trimmer to keep the right-of-ways trimmed back and cleared. This is an expensive, ongoing effort, and the Town Board is asking for your help! Please keep the trees in your right-of-ways trimmed back and shrubs and weeds trimmed so they do not obstruct or shade the ditches and roads.
