Re: Slow No Wake

Due to the recent rains and melting snow, we are experiencing high water on the Rock River in our Township. Therefore, I am requesting that the slow, no wake ordinance be placed in effect as of Tuesday, March 22nd, 2011 until further notice and all landings posted.

If you have any questions, feel free to call the Town Office at 608-868-4103.

Thank you for your assistance in this matter.
