RECONSTRUCTION OF HILLSIDE ROAD AND MALLWOOD DRIVE

The Town of Fulton and Town of Albion have received a significant grant for the reconstruction of Hillside Road and Mallwood Drive at the location shown on the map above. The Townships are considering completing a joint project and are offering an opportunity to attend a Public Information Meeting to discuss the potential impacts and timeline. Regardless of the project proceeding, it is important to gather information regarding the roadway, traffic, and drainage issues. This meeting is an opportunity for residents who are familiar with the existing conditions to suggest improvements for the proposed roadway. Please plan on attending the meeting or contact someone from the list above with any questions. Thanks for your help and hope to see you there!
