**NEWS RELEASE**

**Slow-No-Wake Removed From Northern Portion of Rock River**

**For Immediate Release**

May 3rd, 2015

**Contact Person**

Deputy C Krahn  
608-757-7932

According to the US Geological Survey Gauge on Lake Koshkonong, the water level for the Rock River is 7.87 feet. County Ordinance allows for an abeyance of a slow-no-wake speed restriction when water levels fall below 8.0 feet on the portion of the Rock River downstream from the northern Rock County Line to the Indianford Dam.

Therefore, the Sheriff's Office is removing the previously declared slow-no-wake speed restriction on this portion of the Rock River.
