

## **GET YOUR WELL TESTED!**

Private wells should be tested once a year for bacteria and nitrates. Knowing your well water quality is important, because, you and your family depend on your well for your primary source of drinking water.

The Town of Fulton is offering you a convenient opportunity to test your well for bacteria and nitrates at a reduced cost.

- Pick up water test bottles at Fulton Town Hall
  - Tuesday April 7<sup>th</sup> when you vote, or
  - Thursday April 9<sup>th</sup> from 4 to 6PM
- Collect your well water sample Monday April 13<sup>th</sup>
- Drop off well water sample at Fulton Town Hall Monday April 13<sup>th</sup> from 4 to 6PM
- Cost is \$35.00 for bacteria & nitrates (normally \$44.00)
- Results are available Thursday April 16<sup>th</sup>

This service is provided through the Rock County Health Department Lab.

Test results are confidential and you will receive them by mail, email, or stop by the Fulton Town Hall Thursday April 16<sup>th</sup> from 4 to 6PM.

Health Department staff are available the above dates at the Town Hall or anytime by phone (608-757-5441) to answer all your questions during the entire process.
